The Crest

Since 1951, Baptist Retirement Community has been the industry leader in senior living throughout the Concho Valley. In 2001, BRC opened Sagecrest Alzheimer's Care Center, the first Alzheimer's certified nursing facility in the area, followed by The Cottage Homes at Sagecrest in 2008, which feature the newest, most innovative approach in long-term and skilled nursing care. Following this successful, small home model, we have expanded our services to include The Crest. The Crest, our memory care assisted living facility, strives to develop personal and lasting relationships by focusing on the resident's strengths while cultivating their purpose. Using our faith-based core values, The Crest will provide a non-regimented lifestyle in a warm, family-oriented atmosphere. Our person-directed approach will be tailored to enhance the resident's overall well-being by enriching their lives.

- Kinney-Franke architectural design
- Natural lighting permeates throughout the two homes through the via skylights and large windows and tangible connections to the outdoors
